WARRIOR COACHING STAFF

MARK FRASIER

Head Coach

Mark Frasier is a native of White County and played football throughout his youth. He played for WCHS from 1989 to 1992 where he won multiple season All-District, All Mid-State honors, was team captain and team MVP. He walked on at the University of Tennessee as a free safety coached by Lovie Smith. In 1994, he played free safety for Carson Newman under head coach Ken Sparks who was 5th all-time in collegiate wins.

After college, Frasier coached at WCHS under Jeff Arnette, and then was hired by Oconee County High School in Watkinsville, Georgia to coach defensive secondary, and later became defensive coordinator. His record at Oconee was 35-5 with one state title and three region championships. He was named Assistant Coach of the Year in 2000 and 2001 by the Georgia Athletic Coaches Association. Frasier also met his wife in Georgia, and decided to move back to his hometown of Sparta--returning to Warrior football several times as a volunteer under both Malone and Houser. In 2018, he led WCMS to the CTC conference championship game for the first time since 2014 and, last year, led the WCHS Warriors to a 5-5 season.

Coach Frasier states, "There's no other coaching job I would consider at this point in my life than coaching for my alma mater. This is my home, football is my passion, and I am eager to see these students grow as players and teammates. I've been blessed to work with so many amazing coaches and players over the years and I hope to be able to give back to my community what I've learned through my experiences. I hope that when these kids look back, they remember their football years in Sparta with the fondness that I do."

Coach Frasier and his wife Tricia have two children: Bray, a sophomore at WCHS, and Anna Kate, a freshman at WCHS.

GREGG SEGRAVES

Assistant Head Coach/Offensive Coordinator/Quarterbacks

Coach Segraves graduated from Lewis Cass High School in Walton, Indiana and was a three-sport athlete. After graduating college, he coached in Georgia for 30 years. After retiring, he chose to make Sparta home with his wife Tasha and daughter, Dreu, who will begin Woodland Park as a second grader this fall. Coach Segraves has been offensive, defensive, and special teams coordinator and a head coach through the years. His head coaching record was 50-25 and he was awarded region coach of the year while in Hart County, Georgia.

"My biggest joy in teaching and coaching is to see or be a part of the success of these young men in their future endeavors. It's a joy to see kids go off to college and have success at the next level in a sport and equally moving to see them become great husbands and fathers. I've been fortunate to continue to communicate with several former players and that is rewarding!"

CURTIS BEATY

DEFENSIVE COORDINATOR

Coach Beaty began coaching for the Warriors in June, 2017. He has also coached for Livingston Academy where he won district championships in both 2012 and 2014, and was district runner up in 2015. In 2014, he was awarded district 8AA Defensive Coach of the Year. He is the physical education teacher at WCHS. As a player, Coach Beaty won the 2005 State AAA football title at Livingston Academy. Also, in 2005 he was honored with 1st Team All-Region.

“A great friend and coach of mine told me when I was 20 years old, ‘Curtis, football has given you a lot in life, you need to give some back.’ That’s when I really dove into the coaching world. I love football because I believe it is one of the only things that teaches boys how to be men through love, hard work, teamwork, adversity, and dedication along with other important lessons.”

Coach Beaty’s wife Aria owns her own salon in Livingston. She and their niece Marley Shea never miss a game!

STEVE WILSON

WIDE RECEIVERS

Coach Steve Wilson was born in Chattanooga, but lived in various states growing up while his dad served in the Marine Corps. His family moved to White County when he was an eighth grader and he graduated from White County High School in 1986. He played baseball at Cumberland University and is currently an assistant principal at White County Middle school. Coach Wilson has coached football in Sparta for more than 20 years at the middle and high school levels and coached high school baseball for 13 years.

His coaching and teaching philosophy is that “players and students don’t care how much you know until they know how much you care.”

Coach Wilson’s wife, Brenda, graduated from White County High where she was a varsity cheerleader and tennis player. She is currently a professor of journalism at Tennessee Tech and chair of the communication department. They have one daughter Megan, who also graduated from WCHS and is currently a senior at the University of Tennessee majoring in microbiology.

The Wilsons are members of Sparta First Baptist Church and teach the college and career Sunday school class.

JACOB SPARKMAN

Jacob Sparkman comes from WCMS with a 6-2 record to lead our freshman class this year. A native of White County and a former WCHS offensive and defensive tackle, Coach “Cobb” started coaching Warrior Youth Football in 2011, won 3 championships and had a record of 63-10. His goal of coaching youth football was to have a positive influence on the youth of our community. Coach Cobb has also been involved the last four years coaching ROCO Warriors--a travel football team in East Tennessee who played in The Rocky Top National Championship game last fall. He has coached in two BK Classic All-Star games in Pennsylvania, two American All-Star games in Nashville.

In his own words... Football is like life, it requires dedication, self-sacrifice, hard work, determination and respect for authority and your teammates. The philosophy I use is Faith x 4: Faith in God, Faith in Family, Faith in brotherhood and Faith in ourselves.

Coach Cobb graduated from the University of Tennessee in 1998. He is married to Pam Sparkman and they have three children. Megan, a softball player at Tennessee Wesleyan University; Keaton, a freshman at WCHS; and Eli, at sixth grader at WCMS.

JACOB RITTENBERRY

Coach Rittenberry started playing football at 6 years old with the Sparta Titans and it was then that he realized he loved the game. He played at WCMS as an offensive and defensive lineman and played all four years at WCHS. He was voted team captain for the Warriors and helped lead them to a 5-5 season. Coach Rittenberry graduated in the Class of 2020 and is now working at UPS and assisting the offensive line and freshman team. “I believe that I was a part of steering our program in a different direction. We still have a lot we want to accomplish, and I want to continue to be involved.”

MICHAEL SLONE

OFFENSIVE LINE

Coach Mike Slone is entering his second year at WCHS. He graduated in 1998 from Hamlin High School in West Virginia. He played football under Coach John Shimp and also played baseball. He moved to Sparta in 2000 and met his wife, Christy (a WCHS graduate), and they have two children, Hunter -a sophomore at WCHS and Emma, an eighth grader at WCMS. Coach Slone coached youth football in Sparta from 2009-2017, then moved on to WCMS where he was the offensive coordinator that led the Warriors to the CTC conference game in 2018.

“My goal is to teach these boys football and to also help them to grow into respectful men. The foundations of brotherhood, commitment, discipline and hard work are what molds boys into leaders. My philosophy is God first, then family, school, THEN football.”

JORDAN BAILEY

LINEBACKERS

Coach Bailey began his journey coaching at WCHS in 2018. He found a love for football at a young age and started playing in 1998 for the Overton County Outlaws and went on to play during middle school. During his high school years, he played football and soccer at Livingston Academy. He played receiver and defensive back. As a player, Coach Bailey, played on the 2005 AAA State Championship. He graduated from Livingston Academy in 2007 and is currently working for his family owned business, Charles Bailey Trucking as a dispatcher. Coach Bailey says, “My passion for the game of football is what brought me to coaching. The added bonus for me is the ability to help kids develop in the game of football and in life.”

CHRIS ADAMS

STRENGTH & CONDITIONING

Coach Chris Adams joins the Warriors as the strength and conditioning coach this year. Coach Adams is the ISS instructor at WCMS and has been pushing and encouraging our athletes to reach new goals in the weight room. His passion for fitness shows in everything he does--he competes in CrossFit competitions, owns two fitness centers, Calfkiller Crossfit and Sparta Fitness.

Coach Adams played football and baseball growing up at Ed White High School in Jacksonville, Florida. His baseball team won the state championship title in 1995. He graduated from Trevecca University, where he played two years of college baseball.

“I enjoy coaching kids because they are raw and hungry to excel. They want to be led, so it’s up to us to be good examples on and off the field.”

Coach Adams and his wife, Kristy, a Sparta native, have two sons: Owen, a freshman at WCHS, and Griffin, a fifth grader at Findlay Elementary.

BRENT RYAN

CERTIFIED ATHLETIC TRAINER

Brent Ryan is currently in his 10th year as certified athletic trainer at WCHS. Brent is a 1992 graduate of WCHS and has a degree in sports management and a Master’s in sports administration from the University of Tennessee-Knoxville. While at UTK, he worked as a student athletic trainer and graduate assistant athletic trainer for football and track & field/cross country. During his time at UTK, the football team won SEC Championships in 1997, 1998 and won the 1998 BCS National Championship. In the 11 years prior to returning to his alma mater, Brent served as the head athletic trainer at Cookeville High School. He is also a member of the National Athletic Trainers’ Association (NATA), Southeastern Athletics’ Trainers Association (SEATA) and Tennessee Athletic Trainers’ Society (TATS). He and his wife, Rebecca, principal of Findlay Elementary, have two daughters: Riley 6 and Landry 4.

PARKER BEECH

Coach Beech started coaching at WCHS in 2019. He played football at Harpeth High School, where he played offensive and defensive line. He graduated in 2017. He spent 2 seasons a manager for Tennessee Technological University's basketball team and assisted with their football team. He is a senior at TTU majoring in Communications.

JJ MORRIS

OFFENSIVE LINE

Coach JJ Morris is a 1994 graduate of WCHS. He played youth, middle, and high school football and was offered an athletic and academic scholarship to Lambuth University. Coach JJ has been employed with Quality Mold Shop as a CNC programmer for 23 years. He has also volunteered for the Warrior youth football program from 1996 to 2018, until he joined the WCMS coaching staff. He is married to his high school sweetheart, Julia, who was a 1993 WCHS graduate and is the person behind the camera lens rain, sleet, snow or shine!

Coach JJ has always been passionate about football and it shows through the relationships he's developed with young people in this community. "I loved playing the game of football for many of the same reasons I love coaching it--discipline, camaraderie, and the devotion it takes to develop the brotherhood. I want the kids I coach to love the game the way I did. I also want them to be able to apply all these lessons in the game of life and to have memories that will last a lifetime."
